MOUNTAIN DREAMS (June 27th – July 1st, 2011)

Lake Placid, Adirondacks & Burlington, Vermont

We head to the beautiful Adirondacks where we will spend an *action-packed* week visiting the **Olympic Center in Lake Placid**. While there, we will learn the basics of *bobsledding* and *lugeing* at our certified **Sports Development Clinic**. A day strolling through the streets of **Burlington, Vermont** will be highlighted by a delicious trip to the one and only **Ben & Jerry's Factory** (chunky monkey, anyone?) and **The Vermont Teddy Bear Factory**. Not enough activity? **Eastern Mountain Sports** will teach us how to *rock climb* and *repeal*, while we *ice skate* and *mini golf* our evenings away.

SUN & WAVES (July 4th – July 8th, 2011)

Virginia Beach, VA

Grab your beach bag! We are headed to one of the Atlantic Coast's most beautiful *beaches*. Ride the rollercoaster, Griffin, if you dare, at **Busch Gardens Europe**. Later, we will cool off at **Water Country, USA** and spend an afternoon back in time in **Colonial Williamsburg**. Once on the beach we will get **surfing lessons** during the day and in the evening, we will hone our *go-carting* skills. *Swimming* and *body surfing* the waves, beach *volleyball* and *football* will be just a few of the activities we will compete in during our Annual Canteen Roads' **Beach Olympics**.

CANADIAN CASCADES (July 11th – July 15th, 2011)

Cooperstown, Niagara Falls, Toronto

Put your baseball cap on because we are visiting the **Baseball Hall of Fame** in Cooperstown on our way to one of the great wonders of the world. We will *get up close and personal* with **Niagara Falls** on the famed **Maid of the Mist**. The panorama continues with *360-degree views* of beautiful **Toronto** as we stand on a *glass floor* of the **CN Tower** hundreds of feet in the air. Once we are back on the ground, we will appreciate the accomplishments of the **NHL Hall of Fame** inductees. **Paramount's Canada's Wonderland** will provide chest thumping thrills with *Minebuster*. Our hearts will continue to race as we go *jet boating* on the **Niagara River**. We don't just have fun in the sun; our evenings will be a blast at **Playdium** and **Polson Piers**.
